Café

Drinks Menu:

All of our coffee is roasted by us at our roasting facility in West Chicago. We only choose single origin coffee beans from farms that are paid a fair price for their beans. Every cup of coffee is brewed to order.

All of our teas are organic.

Our handmade sodas are crafted with syrups made with pure cane sugar.

Coffee, hot or iced: 12oz to-go: \$2 16oz to-go: \$2.50

mug (use ours or bring your own): \$1.75

Nitro Cold-Brew Coffee: 12oz: \$4 16oz: \$5

This is a nitrogen infused cold brewed coffee made using our special cold brewing technique. We put our cold-brew in a keg and run a line of nitrogen, much like is done with a stout beer. This produces a coffee with a smooth mouthfeel and enhances the natural sweetness of the coffee. It also has 2.5 times as much caffeine—more bang for your buck.
